

HBS Trash – Policy and Review

Pickup time is between 7am and 8pm. (They have arrived at 7:15am several times)

Each address has been given one trash container and one recycling container.

Cart handles are to be towards the house.

Must have 2 feet of clearance between each cart and the bags (up to 3). The trucks have arms that come out of the side of the truck to grasp the cart. The driver does not leave the truck except for bags.

Must be 4 feet of clearance from vehicles.

The cart with the yellow lid is ONLY for recycling.

Additional carts may be purchased from HBS (720-547-8600) for \$100 with no additional monthly charge. Otherwise, if you use your own containers, there will be a \$5 monthly charge billed to you quarterly.

Aurora Code: Trash containers should be stored in the garage, backyard or properly screened in the rear side yard out of view of the adjacent street. Containers may be put out after 5pm the evening before and must be stored within 12 hours after pickup. Bags are not to be put out until the morning of pickup.
